RAPHIS APPEAL opinion of him: "Governor Chamber-

WEONESDAY, : : JULY 21, 1875.

PERSONALITIES IN POLITICS.

An old citizen of Memphis, always to secure prosperity, and I know he anxious to have good men elected to has the sympathy and will secure office, but studiously refusing the use of the support of the executive in Washhis name as a candidate or to take any ington. Let us get rid of the carpetbag interest in the nomination and election influence that has hitherto controlled of candidates, addresses us the following | the colored voters, and the desired reform will come inevitably. I always e mmunication:

EDITORS APPEAL-You continually told the leading Republicans in Washcomplain that good citizens do not take | ington that I knew the South Carolina or become candidates themselves. Do people better than any carpetbagger, you not know that the press is, to some extent, responsible for this? Why a government. They had been beaten, good many citizens who are in every reduced to poverty, and we must give way qualified to hold office avoid politics and will not permit their names to be used in connection therewith, is very | was given them it would recure the readily explained by the bitter crimina- hearty support of the tax-payers and wish to have their characters blackened that government was Republican or question as to who shall be their candifor the sake of holding, for a little while, Democratic. The support sizes to an office. Observant people know that | Governor Chamberlain by the Contervanot only does a political canvans drag to light all that is giad of it for it gives me strength in record, but that matters of no account are often so distorted and misrepresented

as to appear of damning consequence. Persons who makes trade of politics do not mind these things. Their moral They are quick at innuendoes and even a sense of her material interests. Evcuticle is a veritable buckler of brass, sugh at what is proved. But there are | e | southern State is taking the proper worthy persons who are not insensible sters to secure emigration. The people calumny, and who virtually withdraw of Secastian county, Arkaneas, lave rather than expose themselves to mis.

construction and violent abuse. It is to In that county an immegration society s feared that every year the number has been organized, which has published of these people will increase, and that not content with resolutely declining to hold office, they will even stay away

from the polls altogether. Such views as these are unworthy a man who has successfully fought the a man who has successfully fought the barns, and their granaries to all who battle of life. They are effeminate and may come among them seeking homes. unworthy of vigorous manhood. They no matter whether they come from the remind us of the sentimentality of the dainty girl who scribbles on perfumed note-paper. There is as much contact by the business man with the world as world. We have a splendid prospect for there is by the politician who becomes a candidate or interests himself in the nomination and election of good men to office. Such sensitiveness, if felt by you and make you comfortable until you everybody, would prevent mez joining the army from a fear of getting hurt or coming in contact with common, rough people. Men cannot perform their du. offer was extended to the citizens of othties in life without being occasionally | er sections of the country, by every counjostled. Our correspondent does injus- ty in the southern States, but a few years tice to the press. He is evidently one of would elapse before this section would that class of modest, sensitive plants, reap the benefits of such action. Open who regard the legitimate criticism of the whole south cheerfully to northern in Copiah, and we may hope to see it a newspaper as defamation. Were he a | men; encourage them to bring with them candidate, and the press should antagonise his views,he would no doubt whine, in the language of his communication, about "calumny" and his "character give it an impetus in growth and busiabout "calumny" and his "character give it an impetus in growth and busi- witnessed in this place. Mr. Hugh M. blackened" by "violent abuse." Every ness which it has never known. This Kirkland and Charlie Saunders were man worthy of office defies criticism new accession would not only inspire buried on Sunday evening last both at and abuse. Voting in this coun. others with its own energy and pluck, but the same time. try is not so much a privil. it would open up new industries, develop ege as a duty. The citizen who falls to go to the polls, or hold office unknown avenues of trade, build factories, and convert the idle and waste on all sides of Hernando, for miles, has cowardly pleas, is guilty of criminal delinquency. The good citizen, as a duty, rushes into battle, and the same reason should impel his action in elections. Men who can chaffer and higgle with a hundred men during the day in their restore fraternal feeling between the different sections. business transactions, need have no fear to give one day to securing the election of good men to office. If everybody were as refined in their feelings as this correspondent seems to be, thieves and plunderers would rule and ruin the pecple. The only practical method of improving society, and purifying its political life, is through the earnest personal efforts of all its most respectable members, men who will not countenance dishonesty or corruption in the name of any party whatsoever. When a people are too poor in honorable manhood to produce leaders whose personal qualities command universal respect, it will be time enough to talk about that dignity quiry we wish to make is this: What and sensitiveness which drives into obscurity the chicken-hearted cravens who have such a horror for what they call ealumny and abuse. We have universal suffrage in America, but many of our best citizens never vote, and many others give themseives no concern upon the subject and vote for men of whom they know nothing, and about whom they care less, only contest with the fact that the ticket has been gaid then an easing try nesded their services it is now. Asthey vote for represents their party and its avowed policy. The corruption of the State, under such circumstances, is as it would appear that with economical natural as it is inevitable. Yet good | management that it should might bemen persuade themselves they deserve come rich on what it formerly wasted, and immediate section was favored with no consure for the disorders they take no And if their hardships of the past ten light showers Friday and Saturday last. pains to remedy. Rings, frauds, cor- years shall teach them to utilize all their Last week it rained a few miles north rupt courts, lobby-legislation, petty resources instead of one, it will in time and northeast of here, but there are sevoffices turned into premiums for petty rascalities-these, and such like things, better sign of presperity in the south are the evils to which all good citizens | than this disposition to economize and are necessarily subjected by reason of utilize. And when we find papers like their neglect to public affairs. There the APPEAL urging such reform in farm are principles, the property of no single | management, it is a hopeful indication age or nation, which alone can furnish that the public are awakening to the
